“Out and About “
Holiday Fun With Empathy

School Holidays can be both a blessing and a curse. Providing a welcome break from the stress of school for some, whilst leading to increased anxiety due to the change in routine for others.

In addition to the problems all families face of boredom busting and budget we understand that getting out and about with a child on the spectrum can be challenging. Therefore during any school holiday, in addition to our family friendship groups, Empathy aims to provide families with opportunities to meet up and engage in fun activities with support of an empathic social network and our play leaders through our **Out and About Programme**.

We are not a play scheme. Out and About is an opportunity for the whole family to have some fun, with parents and carers, sibs of all ages and even Granny and Grandpas enjoying some relaxing family time.

We try to keep the sessions as varied as possible with a mix of sporting, arts and social activities as well as some just for fun days out.

We welcome those that currently don't attend a friendship group but find that the relationships and familiarity formed within the group setting makes " Out and About " more successful and enjoyable for all and therefore priority will be given to Empathy Families.

Everyone **MUST** book onto the activities in line with our booking policy. Payment and completed booking form must be received by the closing date to secure your places. A monthly standing order plan is available. All activities must be paid for in full 1 week before your family attend.

PLEASE NOTE THAT NOT ALL ACTIVITIES INCLUDE TRANSPORT . Where transport is provided we will endeavor to pick your family up from your requested point, however this is demand based and you may need to travel to the next nearest pick up point

Please refer to our booking policy for full terms and conditions and talk to us if finance is a problem.

Where at all possible we ask you to book on line via

www.empathyforasd.org

We welcome your thoughts, ideas and feedback at anytime, please feel free to get in touch as detailed overleaf.
